# CYNTHIA MANUELA BAUTISTA PIJAL

## 2021 SAYW recipient, from Ecuador

I want to tell you that I am in the middle of my sixth semester. At the end of September I will finish the academic year and in November I will start my seventh semester. Here in Ecuador, I am already taking classes in person, so I go to the university every day, (previously I only received classes via zoom). I like this new normality with face-to-face classes, because I can interact more with my professors and classmates, there is also better communication and interaction between the educational community.
