

FLC UPDATES

May to August 2021

THRIVING FLC NAGALAND

The 5th Annual In-gathering Fellowship Service last July 10 via online kept the FLC movement moving in Nagaland, India. The Naga women feel that at this time in a pandemic, they should be praying more and sharing more. They

faithfully send their FLC Offerings and even use part of it to help the neediest sisters in their group.

Kivikali Zimo, an FLC SAYW (Scholarship Award for Young Women) recipient who graduated in 2020 is working with the Naga women to help the FLC movement thrive and grow in Nagaland.

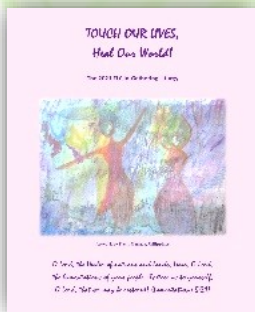

Do send stories of your local FLC Movement. We will share it here to inspire others. You may want to connect with Ren Ozukum (Ren is in FB) and know more about the FLC Nagaland. You will be blessed and inspired as well!

THE 2021 FLC IN-GATHERING WORSHIP

Many FLC groups will be holding their in-gathering services in September. If you still need the 2021 liturgy, email icfleph@gmail.com to get a copy.

Or, you may visit our website: <https://www.fellowshipoftheeastcoin.org/>

ICFLC OFFICE ASSISTANT

Our on-call and home-based Office Assistant for ICFLC starting January 2021 is Raquel Toquero, a part-time student of theology, mother of three, and who loves sewing as a hobby. She comes from the United Methodist Church in the Philippines.

CONTINUE TO PRAY FOR:

- ◆ The 41st ICFLC Annual Meeting online, 16 – 22 October 2021
- ◆ The world-wide 2021 FLC In-gathering Worship celebrations in September
- ◆ The People of Afghanistan and Myanmar, and in other conflict-torn countries
- ◆ Healing and Grace, as we struggle with this pandemic and re-imagine our post-pandemic world

THANK YOU!

Sisters and Friends,

I thank you very much for supporting my healing journey from a broken/crushed ankle in the past 4 months – through your prayers and warm thoughts. I am now practicing to walk safely, thanks to God!, and am now in my home city for home-based work.

Sisterly yours, Liza
